Cradlerock Elementary School PTA 2016-2017

Welcome! We hope you have had a great summer and are ready to come back for a fun-filled year. The Cradlerock PTA Executive Board and Committee Chairs have been working over the summer to get ready for the 2016-2017 School Year.

What is the PTA? PTA stands for Parent Teacher Association. It has a school, county, state and national chapter - all working to complete the mission - "One child, one voice." Cradlerock PTA works with all levels, but we create our own objectives and our own activities. We depend on our parents, teachers and staff to make our PTA the best it can be.

How do I join? Please complete the membership form on the back of this paper and return it to school (in the fall). The fee is \$10/individual or \$15/family (the family membership still only gets one vote). Once we receive your membership information, your name will be added to our email list. You will be sent emails with upcoming PTA meetings and event dates. We hope you choose to be a part of the fun!

Why do I have to pay a fee and where does it go? Your fee goes directly to pay for our membership fees to the State and National PTA. Your membership gives you a **vote** in PTA happenings. Your fees give Cradlerock ES PTA a good representation and a positive voice in our local PTA and beyond. **Most importantly, the fees help to provide opportunities to enrich our students' elementary school experience.**
